## TO DO LIST SDG 2

*This to-do list for SDG 2: Zero Hunger* was created by youth from around the world in consultation with YOUTHTOPIA's Circle of Youth members throughout multiple meetings, research sessions and debates. This is a call to action from young people on the frontlines to government, corporates and individuals like you!

### **Government:**

- 1) Reduce taxes on agricultural supplies.
- 2) Distribute loans and grants to smallholders that practice sustainable practices such as regenerative farming and provide them with educational tools.

- 3) Facilitate safe transport and storage of food items.
- 4) Develop a school feeding program.
- 5) Invest in agricultural research to keep farmers competitive and adapt to agricultural challenges to improve and build resilience on food items.

*Example: Kids for Kids, an organisation founded by Circle of Youth member Isabella Tanjutco that provides agricultural training and tools to smallholders.*

### **Corporations:**

- 1) Establish food banks.  
*Example: Green Welfare Indonesia, an organisation founded by Circle of Youth member Nala Amirah that distributes plant-based meals across Indonesia.*
- 2) Compost food waste to grow a garden for and by employees.
- 3) Invest in sustainable agricultural technology.
- 4) Uphold high standards of sustainability in sourcing practices.
- 5) Support genetic diversity of seeds, plants and animals for human consumption.

### **Individuals:**

- 1) Shop smart by planning meals, writing a shopping list and avoiding impulse purchases.
- 2) Freeze fresh produce and leftovers if you don't have a chance to eat them before they go bad.
- 3) Compost food scraps.
- 4) Give a snack you don't want to someone who needs it.
